FOR IMMEDIATE RELEASE

RE: Town Hall is Moving Back to 18 Main Street!

Starting the week of July 2, Town staff began moving back to 18 Main Street. Town business will continue to operate out of 80 South Street until all employees are back at 18 Main Street, which is scheduled to be complete on July 16th. There may be some minor delays in service on Friday, July 13, when the last employees are moved from 80 South Street to 18 Main Street. Overall, departments at 18 Main Street are located on the same floor as they were before. While the Treasurer/Collector's office will remain on the first floor, Accounting has moved to the second floor. Additionally, both Youth and Family Services, and the Information Technology Department, will relocate to Fruit St. effective Monday July 16th.

As of July 16th Town Offices will be fully operational at 18 Main Street. Please feel free to come by and see your new Town Hall as the building required a full restoration (new flooring, ceilings, lights, paint) as well as a renovation and new layout for the first floor.
