ADDENDUM #1
April 22, 2024

Firms submitting a response to Hopkinton's IFB must acknowledge receipt of all addenda, including Addendum #1, in its bid submission documents.

NOTICE OF CORRECTION TO ORIGINAL BID DOCUMENTS

“Bid Item #4 GAC shall be Calgon Carbon FS400, or approved equal.

Please delete page 16 of the bid documents in its entirety and replace with the attached replacement page 16. The locations to receive GAC are noted on the attached page 16 revision, highlighted in yellow.

The bid price shall include delivery to the site and the vendor shall be responsible for all equipment and labor required to load the media into gravity filters (Weymouth and Braintree) or pressure vessels (all other locations). The utility shall provide clean water at a minimum pressure of 60 psi for media loading.”

Please contact the Town's Procurement Manager, Maureen McKeon, via email with any questions you may have at mmckeon@hopkintonma.gov.

All other provisions as stated in the IFB document shall remain in full effect unless any further changes or clarifications become necessary at which time an additional addendum will be issued.
