Project Guide Clarifications

1. BID NUMBER

Please note that the correct bid number is 24-05-001IFB. The front page of the Project Guide noted the bid number as "24-05-002IFB" and is incorrect.

2. Filed Sub Bidder & GC Clarification

The HVAC companies must be filed sub bidders. The Prime/GC must be DCAMM certified in General Construction. If bidders are certified in both, they may restrict themselves as a filed sub to themselves as the GC. However, they would be required to have DCAMM certification in both.

Please contact the Town's Procurement Manager, Maureen McKeon, via email with any questions you may have at mmckeon@hopkintonma.gov.

All other provisions as stated in the IFB document shall remain in full effect unless any further changes or clarifications become necessary at which time an additional addendum will be issued.
