COVID-19 Updates & Precautions

March 26, 2020 AM update

Previous updates and additional resources can be found here:
www.hopkintonma.gov/covid-19

The Massachusetts Department of Public Health has confirmed that COVID-19 is spreading throughout the Commonwealth. **All town buildings are closed to the public. Parks, Playgrounds and Playing Fields are closed.**

Town Officials and Emergency Management personnel continue to monitor the rapidly evolving COVID-19 public health emergency. As of 11:00 a.m. on 3/26/20, Hopkinton's Health Department has 7 total confirmed COVID-19 cases; 6 of those cases are active, and **Hopkinton's first recovered case was released from quarantine this morning.** However, as testing increases, more cases may be identified in our Town.

Health Department officials are advising residents of community spread of COVID-19. Community spread means people have been infected with the virus in an area, including some who are not sure how or where they became infected.

Following Governor Baker's previous [emergency order](#) from March 23, ONLY designated businesses and organizations providing "COVID-19 Essential Services," such as grocery stores, pharmacies, and restaurants offering take-out or pick up only remain open. All non-essential businesses, retailers, and organizations are closed to workers, customers and the public until Noon on Tuesday, April 7, 2020. See the [COVID-19 Essential Business FAQs](#) from the State.

Non-essential businesses are encouraged to continue operations remotely. To that end, essential services provided by the Hopkinton Department of Public Works, Facilities, Health Services, Youth and Family Services, Hopkinton Police Department and Hopkinton Fire Department will continue. The rest of the Town Departments will continue to provide services as in prior weeks, albeit employees will be working remotely.

Extended School and childcare closings - NEW UPDATE

Governor Baker has announced that all schools and non-emergency childcare centers will remain closed until Monday, May 4. This expands on previous orders that suspended operations until April 6. You can read the full announcement [here](#).

Plastic and reusable Bags - NEW UPDATE

In accordance with the Governor's order to keep grocery store and pharmacy workers safe, the Massachusetts Department of Public Health announced new [grocery store and pharmacy procedures](#). These will no longer allow shoppers to use reusable bags. Stores may offer paper or plastic bags to customers, without charging for them.

HCAM Hangout Hour - NEW UPDATE

HCAM has a new daily program called Hopkinton Hangouts Hour. Today's episode at 2:00pm will feature Hopkinton Public Health Director Shaun McAuliffe and Public Health Nurse, Kasey Mauro to talk about the COVID-19 Pandemic. More info on HCAM and this new program [can be found here](#).

Construction Services - NEW UPDATE

Construction is considered essential work and will continue, but to do so with allowance for social distancing protocols consistent with guidance provided by the Department of Public Health. [Read the full guidance document here](#)
