We hope that you will find it full of helpful and valuable information about the policies, benefits, procedures and opportunities available to guide and assist you in performing to the best of your abilities and developing and realizing your potential as one of our valued employees. Please read it carefully and keep it for future reference.

### **Personnel Administration**

The Human Resources Director handles personnel records and related personnel administration functions at the Town of Hopkinton. Questions regarding insurance, wages, and interpretation of policies may also be directed to the Human Resources Director.

### **Applicability**

This Employee Handbook shall apply to all Town of Hopkinton departments, other than the School Department, and to all positions of all appointed employees in the service of the Town, whether full- or part-time, temporary, seasonal, special, intermittent or any other type of employment, unless otherwise covered by separate agreements between the Town or any individual employee or developed through collective bargaining.

The Town adheres to the policy of employment-at-will, which permits the Town or the employee to terminate the employment relationship at any time, with or without cause, for any lawful reason. Nothing contained in this Handbook should be construed to create an employment agreement or promise of employment between the employee and the Town.

The Town agrees that, in all personnel matters, it will continue its policy of not discriminating because of race, ethnicity, color, religious creed, national origin, or ancestry, gender, sexual orientation, genetic information, veteran status, age, disability or any other protected status defined by law.

The Town of Hopkinton has not adopted any provision of Massachusetts General Law, Chapter 31, regarding Civil Service.

## **SECTION B: RECRUITMENT AND SELECTION**

### **Section B-1: Recruitment**

The Town of Hopkinton is an equal opportunity/affirmative action employer. The Town is committed to equal opportunity for all persons regardless of race, color, religion, national origin, ancestry, sex, sexual orientation, age, genetic information, mental or physical disability or any other lawfully protected categories.

All persons, subject to any statutory requirements or limitations on the position, shall be eligible for employment with the Town.

**(a) Internal Posting**

Internal posting of a vacancy shall be made to ensure that qualified current employees have the opportunity to apply. Appointing authorities and the Town Manager, through the Human Resources Department, shall ensure that notices of vacant positions are posted on the Town Bulletin Board for ten (10) calendar days. External advertisement of the position may be done concurrently.

**(b) Advertisement of Job Vacancy**

A variety of external recruitment sources shall be used when appropriate.

**(c) Examinations**

The respective appointing authority may require a job-related examination as one part of the selection process, subject to the approval of the Town Manager and the Equal Employment Opportunity Commission (EEOC) Officer, who is also the Human Resources Director. Examinations may be written, oral, practical, physical or any combination thereof and shall be relevant to the requirements of the position.

**(d) Failure to Report**

An applicant who accepts an appointment and fails to report to work on the date set by the Town Manager or other appointing authority, shall be deemed to have declined the appointment and the offer of employment shall be withdrawn.

### **Section B-2: Orientation**

The purpose of the orientation is to ensure that new and promoted employees become aware and understand their duties, responsibilities and required work standards and to help employees achieve an effective level of performance. Following the initial orientation, it is the ongoing responsibility of department heads to assist employees in understanding these duties, responsibilities and standards of performance. This is applicable to all employees covered by this handbook.

## **SECTION B: RECRUITMENT AND SELECTION**

### **Section B-3: Introductory Period**

Unless otherwise provided by law, all newly appointed, transferred, and promoted employees shall be required to successfully complete an introductory period. The introductory period shall begin immediately upon the employee's starting or promotion date and shall continue for a total of six (6) consecutive months of employment. This introductory period may be extended based on the recommendation of the Department Head and the Human Resources Director and shall be approved in writing by the Town Manager.

### **Section B-4: Job Descriptions and Interpretations**

The Human Resources Director shall maintain written job descriptions of the jobs or positions in the Salary Administration Plan, which descriptions shall have written definitions including statements describing the kind of work, the distinguishing features of the work and such illustrative examples of duties as may be deemed appropriate.

- A. The description of any position shall be construed solely as a means of identification and not as a limitation to what the duties and responsibilities of any position shall be, or as modifying or in any way limiting the power of the appointing authority, as otherwise existing, to assign duties, modify, direct or control the work of any employee under the jurisdiction of such authority.
- B. All current job descriptions should be reviewed every two years or when the position becomes open. All job descriptions for newly created positions should be reviewed at the one-year anniversary date of the position(s) being filled, and may be modified as necessary to meet the Town's needs.

## **SECTION C: CLASSIFICATIONS & SCHEDULING**

### **Section C-1: Employment Classifications**

At the time of hire, employees are classified as a Group A, Group B, or Group C employee and informed if they qualify for overtime pay. Unless otherwise specified, the benefits described in this Employee Handbook apply only to Group A or Group B employees. All other policies described in this Employee Handbook and communicated by the Town of Hopkinton, apply to Group A, Group B, and Group C employees. If you are unsure where your position falls in the Salary Administration Plan, please ask the Human Resources Director. For employees covered by individual contract, items not addressed in the contract may default to the Employee Handbook.

### **Section C-1.1: Employee Groups**

1. **Group A Employees:** Exempt employees who are usually scheduled to work a minimum of forty (40) hours per work week, fifty-two weeks per year. Group A employees are eligible for all employee benefits, but are not eligible for overtime pay. Group A employees are also eligible for all employee benefits provided to Town of Hopkinton employees as set forth in Section E of the Employee Handbook.
2. **Group B Employees:** Non-exempt employees who are regularly scheduled to work between twenty (20) and forty (40) hours per work week, fifty two (52) weeks per year. Group B employees are eligible for overtime pay for all actual hours worked in excess of forty (40) in a work week. For the purposes of this section, holiday time and sick time used in a work week shall be considered time worked. Group B employees are also eligible for all employee benefits provided to Town of Hopkinton employees as set forth in Section E of the Employee Handbook.
3. **Group C Employees:** Non-exempt employees who are regularly scheduled to work less than twenty (20) hours per work week, fifty two (52) weeks per year. These employees are eligible for overtime pay for all actual hours over forty (40) worked in a work week, but are not eligible for the employee benefits provided to the Town of Hopkinton employees as set forth in Section E of the Employee Handbook unless otherwise noted.
4. **Intermittent part-time:** An employee hired for irregular or occasional employment for an hourly rate or a fee. This includes employees hired to work for a specific period of time not to exceed six (6) months. These employees are also eligible for overtime, for all hours worked over 40 in a work week, but not employee benefits as set forth in Section E of the Employee Handbook, unless otherwise noted.
5. **Salaried but not working a regular schedule:** Exempt employees who may or may not be eligible for employee benefits based on their work schedule.

## **SECTION C: CLASSIFICATIONS & SCHEDULING**

### **Section C-1.1: Employee Groups, Continued**

A Payroll Change Authorization Form must be approved by the Department Head, the Human Resources Director and Town Manager for any employee to change from one group to another. The threshold for requesting to move to a benefit eligible from a non-benefit eligible position is that the employee is scheduled to work 20 hours or more per week for more than 40 consecutive weeks in a fiscal year, barring any coverage for FMLA, MMLA, USERRA, or any Town approved leave of absence.

### **SECTION C-2 Scheduled Work Hours**

#### **Section C-2.1: Core Hours**

The Town Manager will set basic uniform office hours (“core hours”) for all offices with full-time employees that serve the public with the exception of Departments that run on a 24/7/365 basis or whose hours of operation are longer or shorter than the hours of Town Hall. These core hours are 8:00am-4:30pm Monday-Friday.

Part-time employees will work a schedule that is created by the Department Head, with final approval given by the Town Manager.

If an employee is experiencing exceptional circumstances and wishes to work outside of the core hours, the employee must submit a request electronically to their department head with the beginning and end date for the request, the new start and end times requested and the reason(s) for the change. The temporary change must be approved in writing, by the department head and Town Manager prior to the schedule change.

Specific job descriptions for certain positions may establish different working hours than the core hours.

If the department head needs to change the schedule, he or she will try to give the employees as much notice as possible of the changes.

#### **Section C-2.2: Flexible Hours**

In order to enhance Town of Hopkinton operations the Town supports flexible work schedules (“flexible hours”) where it is determined by management to be appropriate. Regular or long term flexible hours will only be approved with the written approval of the Town Manager. Temporary or short-term flexible hour schedules may be granted by the department head.

Employees working flexible hours are expected to be in the office during the majority of the core hours.

## **SECTION C: CLASSIFICATIONS & SCHEDULING**

### **Section C-2.2: Flexible Hours, continued**

Any employee working flexible hours is responsible for meeting all workload requirements and attending all scheduled conferences and meetings, including meetings with customers within the flextime schedule.

*Work Away from Premises or at Home:* Employees shall not be permitted to perform work away from the premises, job site or at home, unless approved in advance in writing by the Department Head and the Town Manager.

### **Section C-2.3: Meal Breaks**

In accordance with M.G.L. chapter 149, sections 100 and 101, all non-exempt employees will receive a 30-minute meal break if they are scheduled to work more than six hours in a calendar day. An employee must be free to leave the workplace during the break. An employee can voluntarily give up the meal break, but must be paid for all hours worked. Compensation for the 30-minute meal break must be paid if the employee has voluntarily agreed to waive his or her meal break by (1) working through his or her meal break, or (2) remaining on the premises at the request of the employer during the meal break.

If the employee is given permission to work through their meal period due to a scheduling necessity for the employee or at the request of the manager, there must be written notice from the manager and the employee submitted via email to the Human Resources Director.

## **SECTION D: COMPENSATION AND PERFORMANCE**

### **Section D-1: Overtime and Fair Labor Standards Act**

Overtime will be worked only with the prior authorization of the department head. Sufficient funds must be available in the budget before overtime work is assigned. Each non-exempt employee, who is authorized to actually work in excess of 40 hours in any one workweek, shall be paid at time-and-one-half the employee's straight-time hourly rate. In order to qualify for overtime pay employees must actually work in excess of 40 hours during the work week. Holiday and sick time taken during the work week shall be considered hours worked.

There is to be no compensatory time in lieu of pay.

### **Section D-2: Time Sheets and Recording of Time**

Accurately reporting time worked is the responsibility of every employee. The Town of Hopkinton must keep an accurate record of time worked in order to calculate employee pay and benefits. The Town retains the right to establish the mode by which time is recorded.

Non-exempt employees must accurately record the time they begin and end their work day, as well as the beginning and ending time of each meal period. They must also record the beginning and ending time of any split shift or departure from work for personal reasons.

Exempt employees must accurately record the total hours worked for each workday.

It is the employee's responsibility to sign his or her time record to certify the accuracy of all time recorded. The timekeeper for the department will review and then approve the time record before submitting it for payroll processing. In the event of an error in reporting time, immediately report the problem to the department's timekeeper, who will then report the error to payroll.

Altering, falsifying, tampering with time records or recording time on another employee's time record may result in disciplinary action, up to and including termination of employment.

### **Section D-3: Salary Administration Plan**

Please see Appendix B for the current Salary Administration Plan

### **Section D-4: Compensation**

All employees shall be compensated in accordance with the Salary Administration Plan that has been established to provide a uniform system for classifying all positions and establishing proper relationships between positions based upon levels of responsibilities and minimum qualifications required to perform the job, thereby ensuring equitable compensation for each classification.

No employee's salary shall be changed without the written consent of the Town Manager.

## **SECTION D: COMPENSATION AND PERFORMANCE**

### **Section D-5: Performance Evaluations and Salary Increases:**

All Group A and Group B employees, and non-seasonal Group C employees are to be evaluated annually.

- A. Employees may respond in writing to the evaluation and/or requirements for improvement. Responses will be added to the employee's evaluation. The evaluation shall be forwarded to the Human Resources Director for review and placement in the employee's personnel file.
- B. Performance evaluations are used when deciding if a salary increase is warranted but are not the sole basis for determining salary increases. In order to be eligible for a salary increase, employees must have a current evaluation with an overall rating of Satisfactory on file with the Human Resources department.
- C. All salary increases are effective at the beginning of the pay period closest to the employee's anniversary date.
- D. All other categories of employment and some positions listed in Group C of the Classification and Pay Schedule may not be eligible for salary increases.

### **Section D-6: Transfers, Promotions and Demotions**

#### **Transfers:**

Transfer of an employee from one position to another without significant change in responsibility may be affected if the employee meets the qualification requirements for the particular period with the written approval of the department head and Town Manager.

#### **Promotions:**

- (a) Unless otherwise provided by law, all promotions shall be subject to an introductory period of six (6) months. If, during this introductory period, the Town Manager or an appointing authority in consultation with a department head determines that the job is not being satisfactorily performed, every effort will be made to return the employee to his or her previous or a comparable position. Should there be no vacancy, the employee will be terminated.
- (b) When an employee is promoted to a higher-rated job, he/she shall enter it at the minimum of the job rate range or at his/her own rate, whichever is higher.

## **SECTION D: COMPENSATION AND PERFORMANCE**

### **Section D-6: Transfers, Promotions and Demotions (continued)**

#### **Demotion**

An employee may be demoted to a position of lower grade for which the employee is qualified for any of the following reasons:

- (a) An employee would otherwise be laid off as a result of abolition of the position; the employee's position is reclassified to a higher grade for which the employee is not qualified; lack of work; disciplinary action; lack of funds; or because the return to work from an authorized leave of absences employee to such a position would cause the Town substantial and grievous injury in accordance with the rules of leave set forth in these guidelines;
- (b) An employee voluntarily requests the demotion;
- (c) If an employee is transferred to a lower-rated job, he/she shall enter it at his/her own rate or at the maximum rate for the job, whichever is the lower, following Town Manager approval;
- (d) All demotions must receive the prior approval of the Town Manger or appropriate appointing authority. The employee shall be notified in writing of the demotion and the reason for the action.

### **Section D-7: Resignation**

Unless stated by contract, all employees of the Town of Hopkinton are employees at will and are not required to give a notice regarding resignation. However to ensure a smooth transition for both the exiting employee and the department involved we request that each employee provide a minimum of ten (10) working days notice to the department head.

## **SECTION E: EMPLOYEE BENEFITS**

### **Section E-1: Benefit Eligibility**

If you are a Group A or Group B employee you will be able to enjoy many of the benefits described in this Employee Handbook as soon as you meet the eligibility requirements for each particular benefit. Some benefits as set forth herein will be provided on a pro-rated basis. Any part-time employee who works less than twenty (20) hours per week (Group C) is not eligible for benefits described in this Employee Handbook unless required by provision of an applicable state or federal law.

### **Section E-2: Paid Time Off**

If a full-time employee is working a base of forty (40) hours per week, a paid day off is considered to be eight (8) hours of paid time off. All employees eligible for paid time off who work less than forty (40) hours shall receive their paid time off on a pro-rated basis.

### **Section E-2.1: Holiday Compensation**

All eligible Group A and B employees shall receive one day at their standard day rate for the following 12 holidays:

New Years Day	Martin Luther King Day	President's Day
Patriot's Day	Memorial Day	Fourth of July
Labor Day	Columbus Day	Veteran's Day
Thanksgiving	Day after Thanksgiving	Christmas Day

- A. If such a holiday falls on a Saturday, the preceding Friday will be observed as a holiday.  
If the holiday falls on a Sunday, the holiday will be observed on the following Monday.
- B. To be eligible for holiday pay, each regular full-time employee must be in a paid status on the day of the holiday. The term "paid status," for purpose hereof, shall mean either normally scheduled to work on that day within the workweek, or on paid vacation leave or approved sick leave. Each eligible part-time employee shall be entitled to holiday pay only for those holidays that fall on a day on which the employee is regularly scheduled to work and is in a paid status. Holiday pay for a part-time employee shall be that employee's regular pay for the day on which the holiday occurs. Also, unless the employee is out on an excused absence, or provides a doctor's note, the employee must work the scheduled day before and after the holiday in order to receive holiday pay.
- C. Each eligible employee who is required to perform work on a holiday that falls within their normal workweek shall receive compensation for such work at straight time to equal the number of hours worked on the holiday.

## **SECTION E: EMPLOYEE BENEFITS**

### **Section E-3.1: Holiday Compensation (Continued)**

- D. Department heads shall be considered the same as all other personnel when working on a holiday, except that approval for pay in lieu of a day off may be obtained from the Town Manager as deemed appropriate.
- E. Regular Part-Time C Dispatchers required to perform work on New Year's Day, The Fourth of July, Thanksgiving, or Christmas Day shall receive one and one half times their normal rate of pay for the hours worked.

### **Section E-3.2: Personal Time Compensation**

On each July 1st, full-time employees will be credited annually with four (4) paid personal leave days which may be taken during the following 12 months. Personal leave days for part-time employees (20 hours or more) shall be credited and granted in the same proportion that employee's service bears to full-time service.

A personal day can be used for a religious/secular holiday or as needed by the employee. Requests for a personal day must be submitted to the employee's department head at least one week prior to the requested leave day. Employees working under the direct supervision of a board, committee or commission responsible for the employee's department shall submit the request to the board, committee or commission at least one week prior to the requested leave day.

Those employees with initial employment date between July 1st and September 30th shall be allotted four personal days in their first fiscal year of employment; those with initial employment dates between October 1st and December 31st shall be allotted three personal days; and those with initial employment dates between January 1st and March 15th shall be allotted two personal days. And all employees hired between March 16<sup>th</sup> and April 30<sup>th</sup> shall receive one personal day for the remainder of that first fiscal year.

Any paid personal leave not taken by June 30th will be forfeited by the employee.

## **SECTION E: EMPLOYEE BENEFITS**

### **Section E-3.3: Vacation Compensation**

- A. The vacation year is from July 1<sup>st</sup> through June 30<sup>th</sup> inclusive. This is merely the time in which accrued vacation must be used: If an employee is eligible to move to the next higher vacation accrual level that accrual will occur on the anniversary date, not the beginning of the fiscal year.
- B. All eligible employees shall be credited on the last day of each calendar month with vacation leave accrued. Vacation time is accrued based on a full calendar month worked. Time off payroll (unpaid, non FMLA leave) is not considered time worked and therefore no vacation time will be credited to an employee who is off payroll for more than one workday during the calendar month. For each full calendar month of employment, employees will be credited with vacation pay as outline below:
  - (1) Level 1. After one full month and up to five years of completed service, the employee is eligible to accrue a maximum of two weeks (80 hours) of vacation leave with pay each year. Accrual is calculated as 6.666 hours of paid vacation leave per full month of employment.
  - (2) Level 2. After five years and up to 10 years of completed service, the employee is eligible for three weeks (120 hours) of vacation leave with pay each year. Accrual is calculated as 10.0 hours of paid vacation leave per full month of employment.
  - (3) Level 3. After 10 years and up to 20 years of completed service, the employee is eligible for four weeks (160 hours) of vacation leave with pay each year. Accrual is calculated as 13.333 hours of paid vacation leave per full month of employment.
  - (4) Level 4. After 20 years of completed service, the employee is eligible for five weeks (200 hours) of vacation leave with pay each year. Accrual is calculated as 16.666 hours of paid vacation leave per full month of employment.
- C. Vacation pay for regular part-time Group B employees, shall be the average of his/her weekly pay for the 26 weeks worked immediately preceding the vacation.
- D. Should a paid holiday occur during the employee's regularly scheduled workweek while the employee is on authorized paid vacation, the paid holiday will not count as a vacation day.
- E. Eligible employees may carry over up to but not more than 2 weeks of vacation time from one fiscal year to another. All time over 2 weeks accrued and unused is forfeited by the employee at the end of the fiscal year.

## **SECTION E: EMPLOYEE BENEFITS**

### **Section E-3.3: Vacation Compensation**

- F. An employee who is eligible for vacation under this policy whose employment ends for any reason shall be paid, at their last rate of pay, an amount equal to the vacation that had been accrued prior to such termination but which had not been used.
- G. With approval from the individual or group responsible for the employee's department, and from the Town Manager or his/her designee, employees who accrue at Level 2 and up, may elect to work no more than one vacation week and receive vacation pay plus their regular pay for that week. In order to be considered, the request must be submitted to the Human Resources Director, no later than the 3<sup>rd</sup> Friday in April. The request will then be brought to the Finance Director for confirmation of funds. After adequate funding has been confirmed, the request is sent to the Town Manager for evaluation and a decision. If an approval has been given, the employee will be notified and payment will be made in the last check of the fiscal year.
- H. Any employee that wishes to use any vacation leave, must have their request approved by their manager in writing before the time off is taken, with the exception that approval may be verbal if the time off taken will be less than two (2) hours in a work day. Time off requests in excess of three days, must be approved in writing at least two weeks before the time is taken.
- I. Employees may request approval of the department head and the Human Resources Director to use vacation time not yet earned. However, in order to be granted permission to use unearned vacation, the employee must have previously exhausted the allotment of his or her personal days for the fiscal year.

## **SECTION E: EMPLOYEE BENEFITS**

### **Section E-3.4: Sick Time Compensation**

Each eligible employee shall be entitled to sick leave with pay to use for the employee's own personal illness and medical and dental appointments.

In addition, up to ten (10) days of accrued sick leave, not covered under Section E-4.2 Family and Medical Leave Act, may be used by an employee to attend to a spouse, parent or child, or someone who lives in the same household as the employee for illness, well-care and sick medical and dental appointments. There will be no carry-over of this benefit from one fiscal year to the next fiscal year. The Town Manager may extend the sick leave used in this manner beyond what is permitted on a case by case basis.

- A. Each regular full-time employee will earn sick leave at the regular rate of pay of the employee at the rate of 1 1/4 (10 hours) normal workdays of sick leave earned for each full calendar month of work, to a maximum accumulation of 205 workdays. Each Group B employee will earn sick leave at the regular rate of pay of the employee on a pro rata basis. The maximum accumulation is the same as that for a regular full-time employee. Sick leave with pay is credited on the last day of the month.
- B. Any person returning to work after an absence in excess of three (3) consecutive work days due to illness may be required by the Human Resources Department to obtain a written statement from a doctor that the absent person is capable of performing all of their assigned duties.
- C. The Town may require a medical certificate at any time from a licensed medical practitioner. A medical certificate must state specifically that an employee is incapacitated and therefore cannot perform the duties and responsibilities as specified in the employee's job description.
- D. Each employee who falls under the Salary Administration Plan, with the permission of his or her department head, may donate up to six (6) days of his or her accrued sick time in any fiscal year to an employee who has exhausted all of his or her accumulated sick time. The employee to whom sick time is donated must first exhaust all personal days and vacation time before being granted donated sick leave.
- F. An employee who meets the criteria for Family Medical Leave or Massachusetts Maternity Leave will be placed on that leave in concurrence with their use of accrued paid leaves, including sick time.

## **SECTION E: EMPLOYEE BENEFITS**

### **Section E-3.5: Bereavement Time Compensation**

- A. Bereavement Leave of Absence for Five (5) working days shall be granted to a Group A or Group B employee upon evidence of the death of a member of his/her immediate family which is defined as mother, father, child, sister, brother or spouse, or person residing in the household based on the requirements below, of the employee or their spouse.
- B. Bereavement Leave of Absence for Three (3) working days shall be granted to a Group A or Group B employee upon evidence of the death of aunt, uncle, grandparent or grandchild of the employee or their spouse.
- C. An additional two (2) days leave of absence may be granted, at the discretion of the Town Manager upon evidence of the death of the aunt, uncle, grandparent or grandchild of the employee or their spouse.

### **Section E-3.6: Jury Duty Compensation**

Each Group A and Group B employee who is asked to either report for jury duty, sit on a trial, or a grand jury panel shall be paid by the Town an amount equal to the difference between the compensation paid the employee for a normal working period and the amount paid by the court, excluding any allowance for travel and lodging, for as long as the employee is required to participate in the trial.

### **Section E4 Leaves of Absence**

#### **Section E-4.1: Personal Leave of Absence:**

Personal leave of absence for a specified period of time may be granted with the approval of the department head and the Town Manager, but shall be without compensation. Unless otherwise stated, personal leave of absences without pay shall be considered inactive employment, where time spent on such leave does not count as service (time worked) for purposes of seniority, accrued vacation, accrued sick leave, pension, longevity and other benefits.

Once an employee has exhausted their Family Medical Leave or Massachusetts Maternity Leave they must apply for a Personal Leave of Absence by submitting their request in writing to the Human Resources Director prior to the expiration of statutory leaves. This leave must be approved by the Town Manager before it can be granted to the employee.

Those employees on an approved leave of absence who are removed from payroll are responsible for remitting full health and other insurance premiums to the Total Compensation Coordinator within the requested time frame. Employees who are on a non-FMLA leave will be making COBRA payments. Employees who fail to make payments in the time required shall be removed from the Town's insurance plan.

## **SECTION E: EMPLOYEE BENEFITS**

### **Section E-4.2: Family and Medical Leave**
