PUBLIC NOTICE
Mandatory State of Water Supply Conservation

The Director of Public Works declares a Mandatory State of Water Supply Conservation, effective May 1, 2019 through September 30, 2019, for all customers connected to the municipal water system. This Mandatory Action is required by the Department of Environmental Protection's Final Water Management Act Permit and by Hopkinton's Town Bylaws, Chapter 199, Article II, Section 199-6: Restricted Water Uses.

Watering lawns, including the use of lawn sprinklers, is allowed for up to two days per week, before 7:00 a.m. and after 7:00 p.m. All other non-essential use is permitted daily before 9:00 a.m. and after 5:00 p.m. The following table details when residents may water their lawns based on the voting precinct in which they live:

Precinct 1	Tuesdays and Thursdays
Precinct 2	Wednesdays and Fridays
Precinct 3	Tuesdays and Thursdays
Precinct 4	Wednesdays and Fridays

Precinct by street listing: <http://bit.ly/HopPrecinctsList>

Watering lawns is prohibited on Saturdays, Sundays, and Mondays.

The following penalties apply to violations of this Mandatory State of Water Supply Conservation:

- First offense – written warning
- Second offense - \$100 fine
- Third offense and beyond – water service may be suspended

More information on this Mandatory Action is available at www.hopkintonma.gov.

The Department of Public Works appreciates your observation of this Mandatory Action.

Sincerely,

John K. Westerling
Director of Public Works
