Main Street Corridor Project Bid Opening Date Extended

HOPKINTON, MA (August 6, 2020) - Based on input from Construction Industries of Massachusetts, Inc., MassDOT has moved the bid opening date for the Main Street Corridor Project to August 25, 2020.

Due to the project's size and scope contractors have asked for additional time to fully review and prepare a responsive bid.

Once the bid process is complete, MassDOT will award the project so construction can be scheduled and a start date will be announced. A press release will be sent out by the Town to announce the selected contractor and the proposed start date.

At this time construction is anticipated to begin in the Spring of 2021.
